Irma Rivera , 3951 Gouverneur Avenue, Apt 4K, Bronx, NY, 10463

(212) 241-0183/Day

**THURSDAY FEBRUARY 7, 2008
5:30 PM to 9 PM**

KINGSHARBOR MULTICARE CENTER

**2000 East Gun Hill Road
BRONX, NY 10469**

**Site Contact person: Carolyn Perito (718) 405-3505
REGISTRATION begins at 5:30 PM**

**INNOVATIVE/COOPERATIVE WORK/STUDY PROGRAM WITH
DEVELOPMENTALLY DISABLED STUDENTS IN A MULTICARE
SETTING:**

Presenters: .1 CEU pending

Liz Giradet, Job Developer and Transition Coordinator,
Dudley Biggs, NYC Certified Teacher/On Site Supervisor

From the Jeffrey M. Rapport Bronx Transition Center

Participants will learn about the benefits of an intergenerational program and how this can have a positive impact on the residents, staff, and young adult volunteers. Participants will learn how to set up a similar program. Topics will include staffing, program content, resources, safety, training etc.

**INTERGRATING COMMUNITY WITH LONG-TERM CARE
SPECIALIZED PROGRAMMING**

Presenter: .1 CEU pending

Sophia Mcleod, Recreation Therapist, Kings Harbor Multicare Center

Two types of community based TR programs that follow a human service approach, with purposeful activities, linking residents to the community will be discussed. Learn how to plan similar activities with specific goals that can address such topics as: good health, fire safety, stress, friendship, fundraising and special events.

PROBLEM SOLVING THE "WRIGHT" WAY:

Presenter: .1 CEU pending.

Charlynn Willis, CTRS, Service Dir, Peekskill Mental Health Clinic

It was no accident that the Wright Brothers were the first in flight. The principles they used to "Soar" above the others can be used in numerous settings. Learn how to use their problem solving techniques and how to encourage your patients/students/clients/staff to fly above their problems.

**SATURDAY - JUNE 7, 2008
10:00 AM to 2:30 PM**

MANHATTANVILLE HEALTH CARE CENTER

311 West 231st Street, Riverdale NY 10463

**Contact person: Theresa Ward-Hernandez 718-601-8400
REGISTRATION begins at 10:00 AM**

Light Lunch served at 12:00 NOON

**BENEFITS OF INDIVIDUALIZED LIFESTYLE
THERAPEUTIC RECREATION SERVICES**

Presenter: .15 CEU pending

Brenda Torres, CTRS , Recreation Manager

CNR Center for Nursing and Rehabilitation.

Participants will learn how services are being reviewed for effectiveness in delivering a continuum of individualized leisure routine for patients. Does your organization provide traditional standardized service? Is change possible? Explore the process to provide a creative blueprint design for Resident Centered Care to provide a more welcomed life's flow with choices key to delivering options in maintaining, resorting, and preserving quality of life.

Second speaker to be announced:

THURSDAY MARCH 6, 2008
5:30 PM to 9:00 PM

AGING IN AMERICA

1500 Pelham Parkway South, Bronx, NY 10461

Contact person: Sallie Carlin 718-409-7941

Registration starts at 5:30 Light Repast served

**VIDEO BIOGRAPHIES IN
THE TREATMENT OF DEMENTIA .15 CEU's pending**

Presenter:

Paul Bufano, MS, CTRS, Director of TR, Morningside House

Video bios highlight positive experiences, focusing on accomplishments, relationships, hobbies, and interests throughout life. Participants will learn how video bios can help caregivers understand a person's history and help strengthen the patient's personal recollections and enhance the sense of self, remembering who they are.

**ACHIEVING BEST PRACTICES IN PALLIATIVE CARE
IN THE TREATMENT OF DEMENTIA. .15 CEU'S pending**

Presenter:

Mary-Pat Gorman-Barry, LCSW, Associate Vice President

For Social Services Morningside House

Participants will learn what is pain management and about barriers and interventions. Presentation will include effects of pain and pain assessment tools to use with residents with dementia and the cognitively impaired.
